THE INFORMER

FEBRUARY 12TH

A couple of weeks ago Sammy preached on the subject of evangelism and how many of us feel unqualified or disqualified. I wonder, is that you?

Today we are going to look into our fears and failings in evangelism a little closer. You see, Jesus created the church in order 'to make and mature Christ followers'. But He did it with a couplet of promises in **Matthew 28**: 'All authority has been given to me, therefore go', 'and I will be with you always'.

As the great hymn goes:

We rest on Thee, our Shield and our Defender!
We go not forth alone against the foe;
Strong in Thy strength, safe in Thy keeping tender,
We rest on Thee, and in Thy Name we go.

Yours in Christ

During the service there is a **crèche** upstairs.

February 12th

10:30 Jonathan Thomas preaching on Exodus 6:28-7:13 'Be obedient and speak'

The **Sunday School** has 'half term havoc' in the gym!

6pm Cries from the Cross: 'Father, forgive them'

PRAYER

Update on Ed and Sarah in Bolivia

Dear friends,

Since the last email we have had good news so please be thanking God with us for his continued faithfulness and provision in every way.

1. We now have a car that we can use for our time in the UK
2. Yesterday we finally got our house contract signed which will last out until the end of December
3. Ed has completed 2 of the major work things that needed doing, the third is planned for next week. The personnel issue went off well with no upsets on either part.
4. Baby and Sarah are still doing well though tiredness is really beginning to set in now which makes life a little more complicated at times, but Eds boss has been really helpfully allowing Ed the extra time to take and collect Alana from kinder and also going in a little later in the afternoons so Sarah can get a nap.

We are now into the packing stage and getting the last things organised so please do continue praying for our journey home.

Update on Hannah and Giovanni in Italy

Isabella Donato was born on Saturday 28th January at 7pm weighing 7lbs 6ozs. After a few complications with baby and mother both are doing fine. Isabella had one night in intensive care but is doing well, she is still under observation but should be able to come home shortly. Please thank and praise God for this new life given to us so generously and for the strength given to mum, baby and dad during delivery, it's amazing how when pushed to our limits we then notice in such a vivid way God's sustaining hand. Pray also for Isabella and Hannah as they continue their stay in hospital for a few more days.

Leadership team prayer request

Please pray for the leadership team on Saturday 18th as they have an away day to pray and study about what it means to be deacons and elders.

Welcome

If you are here for the first time this morning, we would love for you to receive a 'welcome pack'.

Please pick one up from the **Information Point** at the back of the hall.

The welcome pack contains some information about the church and Christian Faith, and a little gift for you.

In the pack there is an invitation to do the **Christianity Explored** course, an opportunity to explore the Christian faith.
