## PRAYER

As a church we have a long history of supporting Christian Unions up and down the country. In fact, our current pastor and assistant pastor have both spent time directly supporting the work of the Christian Unions through UCCF and numerous mission weeks.

The Easter term tends to be the time when CU's organise and run 'mission weeks.' Much like our mission week, Discover, they'll be getting speakers in and putting on interesting events in the hope that as many as possible would hear and respond to the Gospel.

As a church it would be fantastic to pray for these mission weeks all over Wales and the UK. Pray for:

- Those weeks that have already happened and those who heard the Gospel preached. Pray their curiosity would become a hunger for a relationship with the living God.
- Those weeks that are in the process of happening. That those leading and organising and inviting would have strength, stamina, courage and the like. Pray also that they would keep their eyes fixed on Jesus and His unfailing love no matter what might happen during the week.
- Those weeks that have yet to happen. Pray especially for the prayer and preparation that the various speakers will be doing. Pray that God would give them words to speak. Pray also for any who might attend, curious to find out more about the Christian faith. Pray God would speak to them and reveal Himself to them.
- Pray for UCCF as an organisation as they endeavour to support, equip and encourage students to live for Jesus and speak for Jesus in their universities.

## Welcome

If you are here for the first time this morning, we would love for you to receive a 'welcome pack'.

Please pick one up from the **Information Point** at the back of the hall.

The welcome pack contains some information about the church and Christian Faith, and a little gift for you.

In the pack there is an invitation to do the **Christianity Explored** course, an opportunity to explore the Christian faith.
